

## 5 Ways You Can Help

### 1. Adopt a dog

All our dogs are desexed, heart worm tested, micro-chipped, vaccinated and lifetime registered in NSW. Check our website for information about the dogs in our care, including photos, videos and stories.

### 2. Become a volunteer

Rescuing dogs means there's always a lot of work to do, and we always need extra hands to help with the dogs. Email [volunteers@staffyrescue.org.au](mailto:volunteers@staffyrescue.org.au) or phone Lin on 0450 009 117 to find out more about what's involved in volunteering.

### 3. Make a donation

- Staffy Rescue Inc. is a registered charity, and all donations of \$2 or more (including donation of goods or services) are tax deductible. Donation of goods or services that may be used as prizes or auction items at our trivia night, or that Staffy Rescue could on-sell for a small profit, would be much appreciated.
- Donations of blankets, food, worming and other veterinary supplies are also gratefully accepted. Please phone or email to find out what we need for the dogs.

### 4. Tell your friends & family about Staffy Rescue

Spread the word about our rescue dogs. You could be responsible for saving the life of one of the dogs!

### 5. Support the fight to ban the sale of animals in pet shops

While thousands of dogs are killed each year in pounds throughout NSW, backyard breeders and 'puppy mills' are continuing to produce large numbers of puppies for sale in pet shops. Say No to the cruel trade in animals where money and profit is put before the welfare and lives of the animals.
