

## SIX WAYS YOU CAN HELP

### 1. ADOPT A DOG.

All our dogs are de-sexed, heart worm tested, micro-chipped and vaccinated. Check our website for available dogs.

### 2. BECOME A VOLUNTEER.

Rescuing dogs means there's always a lot of work to do, and we always need extra hands to help with the dogs at the kennels. We also need help at market stalls, our Dogs Day Out events etc. and generally with marketing and publicity. Download the volunteers' information sheet from our website. Email [volunteers@staffyrescue.org.au](mailto:volunteers@staffyrescue.org.au) or phone Lin on **0450 099 177** to find out more.

### 3. MAKE A DONATION.

Staffy Rescue Inc. is a registered charity, and all donations of \$2 or more (money, goods or services) are tax deductible. Donations of blankets, food, worming and other veterinary supplies are also gratefully accepted. Email [donations@staffyrescue.org.au](mailto:donations@staffyrescue.org.au) or phone **0414 234 485** to find out what we need.

### 4. TELL YOUR FRIENDS ABOUT STAFFY RESCUE.

Spread the word about our rescue dogs. You could be responsible for saving the life of one of the dogs!

### 5. SHOP ON OUR ONLINE STORE.

Buy a Staffy Rescue bandana for your dog or a T-shirt for yourself, or a key-ring or other gift for a dog loving friend. Send Christmas greetings to everyone this year with a Staffy Rescue Christmas card, and a Staffy Rescue Calendar. See the link to our online store at [www.staffyrescue.org.au](http://www.staffyrescue.org.au).

### 6. SUPPORT THE FIGHT TO BAN THE SALE OF ANIMALS IN PET SHOPS.

While thousands of dogs are killed each year in pounds throughout NSW, backyard breeders and 'puppy mills' are continuing to produce large numbers of puppies for sale in pet shops. Say 'No!' to the cruel trade in animals where money and profit is put before the welfare and lives of the animals.
