Staffy Rescue is a privately run self-funded dog rescue organisation. We are a registered charity & all donations are tax deductible & greatly appreciated. All dogs are de-sexed, micro-chipped, vaccinated, wormed, heartworm tested & treated for one year with proheart. We are located in the Hills District of Sydney, an easy 45 minute drive from the city centre.

To learn more about the dogs pictured above and the other dogs we have in our care, please visit our website.
